

GLOVES IN A BOTTLE

The shielding lotion that bonds with your outer layers of skin creating a protective layer whilst retaining the natural moisture from within.

Protects your skin from harsh weather conditions and chemical irritants.
Recommended by Dermatologists as an ideal safeguard for eczema and dry, cracked skin conditions.
Leaves no trace and does not wash off for 4-6 hours.

Available in LEICESTERSHIRE from just **£4.99^{SRP}** for a month's supply at:

Invisible Hand Protection Fits Like a Glove

Gloves in a Bottle, is a non greasy, non-sticky, hypoallergenic and completely safe, skin protecting, shielding lotion that is an ideal skin safeguard for all domestic chores and skin conditions. Until now artificial lotions have only attempted to replace natural oils with artificial moisture and they leave a residue on the skin and come off every time you wash. One application of Gloves in a Bottle does not wash off and lasts at least 4 hours – coming off naturally with exfoliated skin cells. Gloves in a Bottle not only adds moisture to the skin but also helps to stop the loss of natural moisture. For further information contact 0800 389 4710 or www.giab.co.uk

Always wear your Gloves

New Gloves in a Bottle is the dermatologists remedy for eczema and dry flaky skin. It is a non-greasy, non-sticky, hypoallergenic and safe shielding lotion that bonds with the outer layers of the skin and offers four hours protection from harsh weather and chemical irritants when gardening or doing household chores.
