FOR BETTER LIVING

# For a healthier spring

## Power Breathe SC220

World Asthma Day on 5th May this year reminds us all of the impact asthma can have on lives. Our scientifically developed handheld Power Breathe device has been especially helpful for sufferers of respiratory illnesses such as asthma by using resistance training to strengthen the muscles around the lungs. It can reduce breathlessness, improve lung capacity or enhance performance in swimming, running and endurance sports.

**£29.35 Plus P&P\***

## Eyezone Massager SC215

With the onset of spring, many of us have seasonal allergies like hayfever to contend with. Our Eyezone Massager is a relaxing way to soothe irritated and tired eyes. It uses massage, pinhole therapy and magnetic therapy to ease your sinus discomfort, combat headaches and eye fatigue. Battery included.

**£20.54 Plus P&P\***

## Gloves in a Bottle SC209

Relieve itchy and dry hands from everyday irritants by using Gloves in a Bottle. This ingenious lotion coats your skin, providing an invisible barrier to protect your hands throughout the day. Great for sufferers of eczema and dermatitis.
